THE SOUTH EAST CENTRE

The South East is the oldest “Centre” of the MG Car Club tracing its origins back to 1933. The Club itself formed three years earlier and there have been various re-organisations resulting in the South East Centre covering London, Kent, Surrey and Sussex today. In 2025 the club celebrates its 95th anniversary and there will be a series of events to commemorate.

The Centre, in its past, was largely organised around racing and held race meets at Brands Hatch and Silverstone. These days the club is much more social, with pub meets, social runs and gatherings - although there is still a sporting element.

MG reached its centenary last year and there were some fantastic events to celebrate including our own MG100SE held at Brooklands in Weybridge and The Fairmile in Cobham. It brought many aspects of the club together and showed off the breadth of vehicles involved in the MG scene from 1924 to 2024.

That includes the modern variety and new members with modern MG3, 4, 5, 6, GS, HS, ZS and Cyberster (and whatever comes next!) are more than welcome to join us.

We are all MG enthusiasts, some may have particular eras of interest, but one thing we do all have in common is a love of all things MG! I hope to see you at some of our many events this year—you’ll find most in the centre of this leaflet.
